Sir,

ESTABLISHMENT - Temporary (South Kanara) - Additional
staff for the investigation of existing spring ponds and
Tanks etc. - Retention of one Lower Division Clerk for a
further period of one year - sanction requested.

Reference: G.O.No. Ms 1822 Revenue Dated 24-6-1950 relating to
Board's G.No.7314/47-9 dated G-4-1950 to Government of
Madras.

Of the staff sanctioned newly in the G.O. cited, only
the Lower Division Clerk intended for the Collector's Office was
actually appointed. He joined duty in my office on 7-8-1950.
The office work relating to the investigation of existing spring
ponds and tanks etc. of this office is on the increase. Recently
with Board's Ref. G.No.3301/50-10 dated 10-8-1951, a copy of the
letter No.2493-E1-51-4 dated 7-8-1951 of the Chief Engineer, P.W.I
(General) Madras and a Notification were communicated to me for
necessary action. I have, accordingly, issued a formal order
posting Sri. B.K. Manjunathayya, Assistant Engineer, P.W.D.
North Sub Division, Mangalore, Coimbatore Circle as Assistant
Engineer for work connected with investigation of existing spring
ponds and Tanks etc. as sanctioned in G.O. No. Ms 1822 Revenue
dated 24-6-1950. He is likely to join duty towards the end of
this month. I have communicated a copy of the posting order

to the Board separately, with my Ref.C.No.22073/51-F.P.III ^{WV}
dated 20-8-1951. In view of this and as the necessity of
retaining the Lower Division Clerk (for the Collector's
Office) on the scale of pay of Rs.45-90 per mensem still exists,
I have retained him in anticipation of Government sanction.
I request that the Government may be pleased to approve my
action and sanction the retention of the Lower Division Clerk
for a further period of one year from 7-8-1951 to 6-8-1952

2. I solicit the favour of very early orders in
the matter.

Yours faithfully,

For Collector.

I think the sanction for the Assistant Engineer granted in G.O. No. 1822 Rev of 24.6.50 has lapsed as ~~no~~ no one was appointed for more than one year - please verify from the 17FC. If so a para should be added to the draft order ~~asking the collector to apply~~ renewing the sanction for the Asst Engineer - please see X on p 24. A para should also be added asking the collector why he did not apply for the necessary retention of the L.D. clerk sufficiently early before 7.8.51

To AS

Under M.F.C. 50, an order involving expenditure will lapse if it is not acted upon during the period of one calendar year from the date of the order. In this case, the sanction accorded was partly utilized during the one year period, - in that the L.D. clerk sanctioned in the same G.O. joined duty on 7.8.50. It seems therefore that the sanction in this case has not lapsed. Fin. will no doubt consider this point

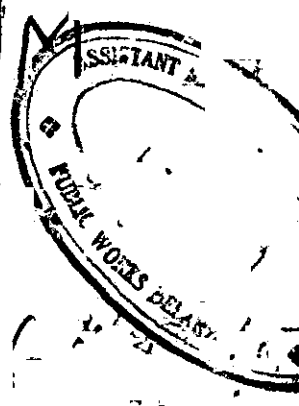

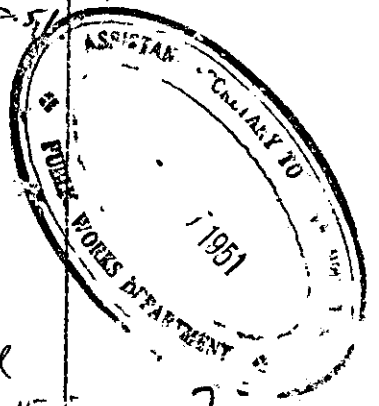

2) With ref. to X ~~above~~ above a para has been added to the draft. It may be sent to P.W.D. for acceptance.

Sir,

ESTABLISHMENT - temporary (S.Kanara) - Collector's

Ref: G.O.Ms.No. 2751 Revenue Department dated 23-10-51.

After the Government passed orders in G.O.No. 1822
Revenue dated 24-6-50 there occurred general changes in the
personnel of clerks in the Food Production Section,
particularly in the Irrigation Section. Unfortunately, in
this particular case though action was taken by the Food
Production Section and a copy of the order was communicated
to the Correspondence section with a view to get this
entered in the Special Register of Temporary Establishments
in the initial stage itself, the Correspondence Branch
inadvertantly omitted to enter this in the Special
Register. Thus the paper could not be watched and
timely action taken to apply for the retention of the
Lower Division clerk beyond 7-8-51. In any event, the
delay is very much regretted. I have taken special
precaution to prevent a recurrence of the delay which in the
circumstance stated above may please be condoned.

Yours faithfully,

For Collector.
